Navy Capital Invests \$2.0 Million in MariMed

Investment helps fund the continued growth of MariMed assets

NEWTON, MA and NEW YORK, July 19, 2018 (GLOBE NEWSWIRE) -- [MariMed, Inc.](#) (OTCQB: MRMD), a multi-state professional cannabis organization which develops, owns and manages cannabis facilities and branded products lines, announced today that [Navy Capital Green Fund](#), LP (Navy Capital), has made a \$2.0 million investment in MariMed. The Navy Capital Green Fund is the first US-based Long/Short Public Equity Fund dedicated to identifying attractive best in class businesses within key verticals of the global legal cannabis industry. The investment will help fund the continued growth of MariMed assets, including the build-out of cannabis facilities in Massachusetts that are scheduled to open by yearend 2018.

“MariMed is one of the top multi-state cannabis operators in the US. We are delighted to be making this first investment to support their continued growth in Maryland, three sites in Massachusetts, and their plans for projects in additional states,” said Sean Stiefel, Navy Capital portfolio manager. “We are looking to synergistically align MariMed’s branded cannabis-infused product lines with other investments we’ve made in the industry. MariMed aligns closely with our investment philosophy of supporting businesses with strong revenue streams, compelling strategic growth plans, and management teams that are deeply invested in the business and committed to the industry and their customers.”

“This placement by one of the top investment houses in cannabis demonstrates Navy Capital’s confidence in our strategic plan and our potential for asset and revenue growth,” stated Robert Fireman, MariMed CEO. “We’ve had 11 consecutive quarters of year over year revenue growth, and Navy Capital’s infusion will help further facility development and expand corporate infrastructure, in turn bolstering assets, increasing revenue, and delivering financial performance.”

About Navy Capital

Navy Capital's research-oriented, fundamentally driven investment process focuses on identifying attractive opportunities within the legal cannabis space. Navy Capital seeks to find the best in class businesses within key verticals of the global cannabis industry. Those verticals include Consumer, Healthcare, Technology, Industrials, and Agriculture.

What We Look For

Navy Capital invests in 20-30 publicly traded and select private companies that will gain market share over time in their respective verticals. Businesses that have recurring revenue and management teams that have a large share of their net worth in the company and are deeply passionate about their culture and customers are the most attractive to us.
